

# Great Reading News for Students and Parents!

Your reading teachers are adding you to Learning Ally, an online book library where all the books can be downloaded and listened to on your personal device.

You will have your own "bookshelf" of books you pick plus books we think you might enjoy. Your teachers will be calling to give you instructions on how to log in and begin using Learning Ally. Also, we are including a link to the [Learning Ally Parent Information](#) page which has lots of useful details about helping your child engage with reading through Learning Ally.

Have questions? Feel free to call your teacher during office hours (10 am to 1 pm each weekday). Outside of office hours, please leave a message and your teacher will call back as soon as possible.
